

THE URBAN PAINTER'S PERFECT COLOUR GUARANTEE - TERMS & CONDITIONS

Colour Selection Process:

As part of our "Perfect Colour Guarantee," the client agrees to participate in the colour selection process. This includes the review of colour samples or test patches provided by The Urban Painter, consultation with our team of colour experts, and in-home designer advice (if applicable).

Colour Selection Approval Form:

Prior to the commencement of painting, the client must complete and sign the Paint Colour Selection Final Approval Form to confirm their satisfaction with the selected colours, finishes, and brands.

Project Commencement:

Work will not begin until the signed approval form has been received. The signed form serves as the final confirmation of colour choices and ensures that all parties agree to proceed with the specified selections.

Changes After Approval:

Changes to colour choices after the form has been signed will likely result in additional costs, including charges for labor, materials, and any necessary project delays. Such changes must be documented in a revised approval form and signed by the client.

Limitations of the Guarantee:

The "Perfect Colour Guarantee" applies exclusively to the colours, finishes, and paint brands listed on the signed approval form. Dissatisfaction with the appearance of colours due to factors such as lighting changes, décor updates, or personal preference shifts after approval is not covered under this guarantee.

Client Responsibility:

The client acknowledges that by signing this final approval form, they have had the opportunity to review the selected colours in the project space and under relevant lighting conditions using The Urban Painter Colour Box samples. It is the client's responsibility to take that opportunity in a timely fashion and raise any selection concerns before signing.
